CAREER OBJECTIVE

Full-stack developer with a strong foundation in frontend design, currently mastering the MERN stack. I'm passionate about building clean, high-performance web applications that look exceptional and run seamlessly. Seeking a dynamic growth-oriented development environment where I can contribute to meaningful engineering tasks, solve algorithmic challenges, and implement premium UI/UX architectural solutions.

EDUCATION

Coimbatore Institute of Engineering and Technology <i>Bachelor of Engineering in Computer Science and Engineering; CGPA: 8.51/10</i>	Coimbatore, Tamil Nadu 2023 – 2027
SLB Govt. Hr. Sec. School <i>Higher Secondary Certificate (HSC) – Maths & Biology; Percentage: 85%</i>	Tamil Nadu 2023

TECHNICAL SKILLS

Frontend Development: HTML5, CSS3, JavaScript, Tailwind CSS, React, Responsive Web Design
Backend Development: C, Node js, Express js, Mongo DB Design
Version Control: Git, GitHub, Collaborative Workflows
Web Technologies: DOM Manipulation, Local Storage, Frontend Frameworks, Architecture Optimization

PROJECTS

Kanban Board Web Application | *React, Node js, Express js, Mongo DB, Tailwind CSS*

- Developed a high-performance MERN stack Kanban application featuring an optimistic UI drag-and-drop engine and responsive structural layouts for fluid, zero-latency task management.
- Created a dynamic production analytics dashboard calculating real-time workflow statistics, sprint completion velocity, and task severity distribution metrics.

Personal Portfolio Website | *HTML5, CSS3, JavaScript, Responsive Design*

- Built a highly responsive professional web showcase leveraging advanced CSS Grid and Flexbox grid matrices to provide fluid cross-device viewing experiences.
- Implemented multiple modular structural sections utilizing semantic layout schemas, modern structural styling guidelines, and optimized keyframe UI component micro-animations.

CERTIFICATIONS

HTML, CSS, JavaScript Certificate – Infosys Springboard
Git and GitHub Version Control Frameworks – Master Git Coding Workflows (Udemy)

PROFESSIONAL SKILLS

Effective Communication | Team Collaboration | Time Management | Analytical Problem Solving | Quick Learning Capacity | Cross-Platform Adaptability | Self-Motivated Worker

LANGUAGES KNOWN

Tamil (Native Primary), English (Fluent Professional Competency)
